**SUBMISSION OF PETITION FOR EXTENSION
OF TIME UNDER 37 C.F.R. 1.136(a)**

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

In response to the final Office Action mailed May 18, 2006 in the above application, Applicant submitted a Request for Continued Examination and a Response to Office Action. These documents were submitted electronically on this date, November 20, 2006, which is within the statutory filing deadline for response by virtue of the six month due date of November 18th falling on a Saturday.

Applicant's electronic submission of the RCE and Response to Office Action referenced a time extension petition which was inadvertently omitted from the submission. Applicant encloses herewith said Petition for Extension of Time Under 37 C.F.R. § 1.136(a). Applicant submits this petition now merely as a safeguard, however, it is believed unnecessary in light of the provisions of 37 C.F.R. § 1.136(a)(3) regarding prior authorization to charge all fees constituting a constructive petition for extension of time.

Payment of the petition fee was authorized to be charged to Deposit Account No. 17-0055 in Applicant's electronic submission of the RCE and Response to Office Action, and therefore the associated fee is not be authorized electronically for this submission in order to avoid duplicative charges of the petition fee.

No other fees are believed due for consideration of this response, however, authorization is hereby given for any additional fees to be charged to the deposit account noted above.

Respectfully submitted,

JIN-HONG KIM
